

CRYPTO TOWN HALL

A Celebration of American
Crypto Pioneers and Ingenuity

Thursday, Aug. 20, 2020

12:30 - 1:30 pm ET

RSVP

Join Us Thursday, Aug. 20, 2020 at 12:30 p.m. ET

To continue our standing as a world leader, it is imperative for the United States to be at the forefront of developing this technology. We should encourage the use of cryptocurrencies in daily life and provide businesses the regulatory clarity they need to build and innovate with blockchain technologies in the United States.

Please join **Emmer for Congress, Chamber of Digital Commerce PAC** and leading industry pioneers for the **Inaugural Crypto Town Hall** as we celebrate American ingenuity across the blockchain ecosystem.
